Re: Sandhurst Acquisition – Outstanding Confirmation of MIP Figures

Dear Mr. Whitfield:

I write regarding the still-outstanding confirmation of the management incentive plan ("MIP") figures required to close out the corresponding item on the Sandhurst closing checklist. As you are aware, we raised this item directly with you, and it has now gone unanswered for three business days notwithstanding that direct outreach.

This item remains the sole open matter under Article 6.2(d) of the agreement. All other substantive items in Articles 4 through 7 have been closed, and the balance of the closing set is otherwise in final form. We are not prepared to treat this item as resolved, and it will remain open on our tracker, until we receive your written confirmation of the MIP figures as previously circulated.

Accordingly, we require your written confirmation, or your specific written objection identifying the disputed figures, no later than 5:00 p.m. ET on the third business day following the date of this letter. Absent a timely response, we reserve all rights and remedies available to our client under the agreement and otherwise, including treating your silence as a failure to satisfy this condition and proceeding accordingly.

We would prefer to resolve this promptly and by agreement, and remain available to discuss by call at your convenience within the deadline above. Please direct your response to the undersigned.

Regards,

Ingrid Solheim
